MEMORANDUM FOR: COMIREX Members and Consultants

SUBJECT: Imagery Resources File

REFERENCE: CMX-D-31.7/1A, Development of a COMIREX Imagery Resources File, 4 May 1981

Enclosed for your information and record is the COMIREX-approved document that established the standardized Imagery Resources File. This document was originally coordinated within the Committee through the referenced memorandum. The attached version incorporates changes by O/ICE/PAD/ESB to reflect organizational changes over the past year.
